Serving the Manitoba Education Community

Preface

Schools in Manitoba - Écoles du Manitoba is a comprehensive provincial directory of all schools, school divisions and districts. The directory includes addresses, telephone and fax numbers, as well as email addresses for schools, school divisions and districts. It also identifies the number of teachers and students, and the grade range in each school, as well as indicating the program offered such as English, Français, French Immersion, International and Indigenous Languages.

Schools operating on a semester system are identified as shown in the key, which is printed below. The symbol (H) represents a Hutterian school. In addition, a provincial summary of the number of schools and programs offered in the public school system can be found on page 11.

The school code assigned to every school by Manitoba Education is identified and should be used as a reference number in all correspondence between schools and the department.

School division and district listings include the total number of elementary and secondary schools. Elementary schools are categorized as those that offer Kindergarten to Grade 8 programs and secondary schools as those that offer Grade 9 to 12 programs. Consequently, the number of elementary and secondary schools does not necessarily correspond to the total number of schools in a division or district since K-12 schools are counted as both an elementary and a secondary school. The number of teachers is a count of the teachers in each school. Teachers working in more than one school would, therefore, be included in the teacher count of both schools. As a result, the sum of the teacher counts in each school may be greater than the total teacher count presented in the summary information for each division.

The primary purpose of this publication is to provide contact information. Schools or division resource centers that do not report enrolment are not included in the count of schools presented in the divisional or provincial summaries.

Additional copies of *Schools in Manitoba - Écoles du Manitoba*, catalogue # 83855 may be purchased from the Manitoba Learning Resource Centre, P.O. Box 910, 130-1st Avenue West, Souris, Manitoba, R0K 2C0. Orders can be placed online at www.mtbb.mb.ca or by calling 1-866-771-6822 or (204) 483-5040. It is also published on line at www.edu.gov.mb.ca/k12/schools/index.html.

This directory was compiled by the Education Administration Services Branch of Manitoba Education from information submitted by schools, school divisions and districts in September 2019.

Préface

Schools in Manitoba - Écoles du Manitoba est un répertoire provincial détaillé de toutes les écoles, de toutes les divisions et de tous les districts scolaires du Manitoba. Ce répertoire comprend les adresses, les numéros de téléphone et de télécopieur, ainsi que les adresses courriel des écoles, des divisions et des districts scolaires. Il donne également le nombre d'enseignants et d'élèves, les années d'études de chaque école, ainsi que les programmes offerts tels que : anglais, français, immersion française, langues étrangères et langues autochtones.

Les écoles qui suivent un système semestriel sont indiquées par la lettre S comme dans la légende qui figure au bas de la présente page. Le symbole (H) représente une école huttérienne. De plus, vous trouverez un sommaire du nombre d'écoles et des programmes offerts dans le système d'écoles publiques à la page 11.

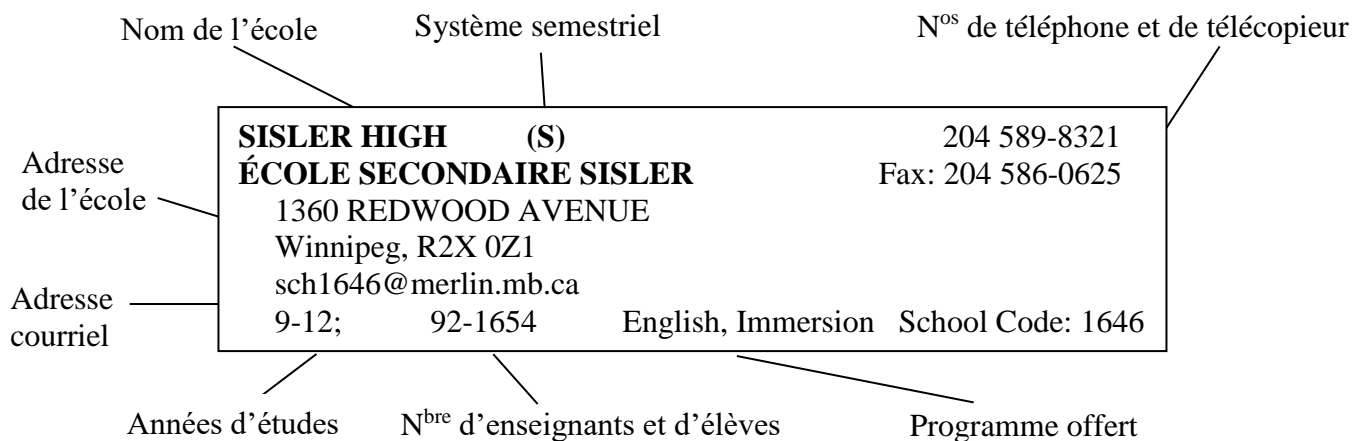

Le ministère de l'Éducation attribue un code à chaque école. Ce code de l'école devrait être utilisé comme numéro de référence dans toute correspondance entre les écoles et le Ministère.

Les renseignements sur les divisions et les districts scolaires comprennent le nombre total des écoles primaires et secondaires. Les écoles primaires sont catégorisées comme étant les écoles qui offrent un programme de la maternelle à la 8^e année et les écoles secondaires comme étant celles qui offrent un programme de la 9^e à la 12^e année. Par conséquent, le nombre d'écoles primaires et secondaires ne correspond pas nécessairement au nombre total d'écoles d'une division ou d'un district scolaire puisque les écoles de la maternelle à la 12^e année sont comptées deux fois, c'est-à-dire comme une école primaire et comme une école secondaire. Le nombre d'enseignants est le nombre total d'enseignants dans chaque école. Les enseignants qui travaillent dans plus d'une école sont, pour cette raison, compris dans le nombre total d'enseignants des écoles où ils enseignent. Par conséquent, le nombre total d'enseignants dans chaque école pourrait être plus élevé que celui du nombre total d'enseignants indiqué dans les renseignements récapitulatifs de chaque division scolaire.

Le but principal de cette publication est d'offrir des renseignements généraux. Les écoles et les centres de ressources divisionnaires qui ne nous communiquent pas d'inscriptions ne font pas partie du total des écoles présentées dans le sommaire des divisions scolaires ou le sommaire des données statistiques provinciales.

Vous pouvez faire l'achat d'exemplaires supplémentaires du livret *Schools in Manitoba - Écoles du Manitoba* (n^o de catalogue : 83855) au Centre de ressources d'apprentissage du Manitoba, C. P. 910, 1st avenue West, bureau 130, Souris (Manitoba) R0K 2C0. Vous pouvez placer une commande en ligne à www.mtbb.mb.ca ou en composant le 1 866 771-6822 ou le 204 483-5040. Ce répertoire est également publié en ligne à l'adresse suivante : www.edu.gov.mb.ca/m12/ecoles-mb/index.html.

La Direction des services d'administration scolaire du ministère de l'Éducation du Manitoba a préparé ce répertoire à partir des données soumises par les écoles, les divisions et les districts scolaires en septembre 2019.
